

FOREVER

Multiple

Some things happen in an instant...

- A lightning bolt sparks for about 50 microseconds.

Some can be calculated in hours or days...

- A baseball game lasts about 3 hours; that's 9 innings, unless the game is tied.
- A peach remains ripe up to 5 days in the frig.

Some go on much longer...

- "The Good Wife" spans 7 seasons and 156 episodes.
- Children have been building with *Lincoln Logs* for 98 years.

An endowment...outlasts them all.

An endowment is a fund that **FOREVER MULTIPLIES**, ensuring the legacy and longevity of an organization.

EDGE is the endowment fund for Multiples of America (also known as the National Organization of Mothers of Twins Clubs, Inc.). The fund continues to grow dollar by dollar, year by year.

Once a reserve is accumulated, the EDGE endowment will serve as a sustainable funding source, a **FOREVER MULTIPLE** fund that can provide member clubs and our organization with some monies to help grow services and programs.
